ASSOCIATION REPORTS

Oregon Dental Association

Dr. Asai welcomed Dr. Hongo to the Board and her contribution to dentistry. Dr. Huddleston asked when will the House of Delegates meeting be held and Dr. Asia stated that it would be held September 15.

Oregon Dental Hygienists' Association

Ms. Ironside had nothing to report but also welcomed Dr. Hongo to the Board.

Oregon Dental Assistants Association

No one from the ODAA was present.

COMMITTEE AND LIAISON REPORTS

WREB Liaison Report

Dr. Magnuson stated that he'd review Dr. Short's report. The annual report was included for the Board to review. The pass rate for WREB was 87% for the first attempt, on the second attempt 75% passed, and on the third attempt 65% passed. By the third attempt, at least 90% of all applicants were passing the exam. Dr. Magnuson also stated that WREB will not be adding the crown prep on typodonts portion of the exam until 2010. Dr. Magnuson stated that after much discussion, WREB has decided to not offer the exam in Mexico now but stated that the option will be coming up again in the future.

Ms. Davidson stated that she felt that it was a good meeting, and very eye-opening to the progress that Oregon has made. She stated that there were some upcoming changes such as the addition of an in house IT staff member at WREB to handle the new incoming technology that they will be incorporating into WREB. The computer simulation exam will be field testing and hopefully will be administered in 2010. They will be trying to increase efficiency by decreasing turnaround time, as well as enhancing their current Web site.

Ms. Davidson stated that there has been an increase in restorative candidates for the exams, mainly from changes in Oregon, Alaska and a few other states that are allowing hygienists and/or assistants to place restorations. WREB will be increasing the restorative exam costs and are asking for more examiners in that area. Ms. Davidson added that WREB is also implementing a new peer review process. In closing, Ms. Davidson stated that she was very thankful that Oregon is proactive in its processes and has several things in place that other states don't.

ADEX Liaison Report

Mr. Braatz stated that the House of Delegates met and the biggest issue was ADEX is looking at the hygiene exam and there was some disagreement between the hygiene community and the exam specialists who calibrate the exam. Other than that, the meeting was good and the annual report from that meeting was included for the Board to review. Mr. Braatz stated that next year's meeting will be in Chicago.

AADE Liaison Report

Dr. Parker stated that although there is currently nothing to report, there is a meeting coming up in October and she will give a full report after that meeting. Mr. Braatz stated that the AADE Drug Guideline had been included in the Board book for the Board to review.

Committee Meeting Dates

Administrative Workgroup Dr. Huddleston stated that there would be a report for the Board during the Executive Session.

Dental Hygiene Committee Ms. Mason stated that the Dental Hygiene Committee met on August 1 to review Division 35 and came up with several clarification changes that were presented to the Rules Oversight Committee. She stated she wouldn't go into them now as they would be discussed shortly with the Rules Oversight Committee presentation and presented to the Board.

Rules Oversight Committee Dr. Magnuson stated that the Rules Oversight Committee met on August 14, 2008 and went through several divisions that the Rules Oversight Committee recommended that the Board move to the Rulemaking Hearing.

Division 1 Procedures

Dr. Magnuson moved and Dr. Parker seconded that OAR 818-001-0002 Definitions be moved forward to the Rulemaking Hearing on October 9, 2008 as presented. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

Division 12 Standards of Practice

Dr. Magnuson moved and Dr. Hongo seconded that OAR 818-012-0030 Unprofessional Conduct, OAR 818-012-0040 Infection Control Procedures as amended, OAR 818-012-0050 Obtaining a Fee by Fraud or Misrepresentation, OAR 818-012-0060 Failure to Cooperate with Board and OAR 818-012-0070 Patient Records be moved forward to the Rulemaking Hearing on October 9. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

Division 15 Advertising

Dr. Magnuson moved and Dr. Grant seconded that OAR 818-015-0005 General Provisions, OAR 818-015-0007 Specialty Advertising, and 818-015-0015 Disclosure Requirements be moved forward to the Rulemaking Hearing on October 9, 2008 as presented. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

Division 21 Examination and Licensing

Dr. Magnuson moved and Ms. Davidson seconded that OAR 818-021-0017 Application to Practice as a Specialist be moved forward to the Rulemaking Hearing on October 9, 2008 as presented. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

Division 26 Anesthesia

Dr. Magnuson moved and Dr. Hongo seconded that OAR 818-026-0030 Requirement for Anesthesia Permit, Standards and Qualifications of an Anesthesia Monitor be moved forward to the Rulemaking Hearing on October 9, 2008 as presented. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

Division 35 Dental Hygiene

Dr. Magnuson moved and Ms. Davidson seconded that OAR 818-035-0020 Authorization to Practice, OAR 818-035-0025 Prohibitions as amended, OAR 818-035-0030 Additional Functions of Dental Hygienists as amended, OAR 818-035-0040 Expanded Functions of Dental Hygienists, and OAR 818-035-0100 Record Keeping as amended be moved forward to the Rulemaking Hearing on October 9, 2008. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

Division 42 Dental Assisting

Dr. Magnuson moved and Dr. Hongo seconded that the Board send OAR 818-042-0095 Restorative Functions of Dental Assistants forward to the Rulemaking Hearing on October 9, 2008 as presented. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

EXECUTIVE DIRECTOR'S REPORT

Budget Status Report

Mr. Braatz attached the budget report for the 2007-2009 Biennium for the Board's review. This report, from July 1, 2007 through June 30, 2008, represents the end of the fiscal year. The Report shows revenue of \$958,772.78 and expenditures of \$964,430.71. Mr. Braatz pointed out that the Board is about to receive revenue from the renewal of Dental Hygienist Licensees and stated that the Board should not be concerned that the expenditure number currently exceeds the revenue number and that the budget is performing as expected.

Summary of Agency Head Financial Transactions

Board Policy requires that at least annually the entire Board will review agency head financial transactions and that acceptance of the report will be placed in the Minutes. Mr. Braatz stated that one change in this report from last year, as suggested by the Auditors, was the addition of the amount of money that the Board pays for parking validation for Mr. Braatz when he uses his car for official state business. Mr. Braatz stated that he would answer any questions the Board may have regarding the report.

Dr. Magnuson moved and Mr. Smyth seconded that the Board approve the Agency Head Financial Transactions as published. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

Customer Service Survey Report

Mr. Braatz attached the chart showing the OBD State Legislatively Mandated Customer Service Survey Results from July 1, 2007 through June 30, 2008. The results of the survey show that the OBD continues to receive positive comments from the majority of those that return the surveys. A booklet containing the written comments sent back with the survey forms, which staff

has reviewed, are available for Board Members to review. Mr. Braatz stated that this chart represents the end of the fiscal year and the target for the OBD was an overall 85% positive response and this chart shows that we have met that goal.

Mr. Braatz stated that the Board would find the chart representing the period of July 1, 2008 through July 31, 2008 attached as well.

Board and Staff Speaking Engagements

Friday, June 27, 2008 - Dr. Kleinstub made a presentation to Senior Dental Hygiene students at Pacific University in Hillsboro.

New Board Member

Mr. Braatz asked the Board to welcome Jonna Hongo, D.M.D., of Portland, as the newest member who has been appointed by the Governor and confirmed by the Oregon State Senate and whose term of office began August 1, 2008.

Western Regional Examining Board of Directors Meeting and Western Conference on Dental Examiners and Dental School Deans

Former Board member Dr. Ronald Short and Mr. Braatz attended the WREB Board of Directors and the Western Conference Meeting held in Big Sky, Montana in July. Mr. Braatz stated that two major issues were decided at the WREB Board of Directors Meeting. First, the WREB Board of Directors voted to not conduct an examination in Mexico for the U.S. students who currently attend the only approved foreign dental school for the state of California. Second, the WREB Board of Directors will not introduce a typodont model, to replace the live patient, for the examination in 2009, but will continue to test pilot it at a number of schools and it will more than likely move forward in 2010.

Mr. Braatz stated that the Western Conference of Dental Examiners and Dental School Deans is always very interesting, especially the Educators' Forum, where the representatives from the various dental and dental hygiene schools get a chance to ask questions of representatives of WREB. It is very interesting that the schools feel that they should have more of a say in what is on the examination and do not like it when the WREB Board makes decisions, like the fact that live patients will still be used in the examination. That was the liveliest of the debates and most of the objections came from schools that are not located in the western part of the United States.

TRIMET Contract

Mr. Braatz asked the OBD to authorize him to enter into a contract with TRIMET for the Universal Pass Program which will provide transportation passes for those OBD employees that are eligible to receive such passes for transportation to and from work and stated that the Board had approved the contract with TRIMET last year.

Mr. Braatz went on to state that while he realizes that this is an expense for the OBD, he feels that it is a worthwhile expenditure for the employees of the OBD and that the 2007-2009 Budget can handle this expense. The annual cost to the OBD for the employees would be \$2,838.00. The Board will receive a 5% discount if full payment is made within 30 days of the contract start date.

Mr. Braatz also wanted it noted that he has attempted to work with the Department of Administrative Services Human Resource Services Division and the Public Employees' Benefit

Board in an effort to try to provide some similar programs for employees who live outside of the Portland Metro Area and to date, he has not been successful in finding support from those agencies in trying to have the OBD assist those employees which such programs.

Dr. Magnuson moved and Dr. Grant seconded that the Board approve the employee pass program. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

National Practitioner Data Bank (NPDB)-Healthcare Integrity and Protection Data Bank (HIPDB), Western Regional Policy Forum

Mr. Braatz stated that Licensing Manager Teresa Haynes and himself had been invited to attend the first ever NPDB-HIPDB Western Regional Policy Forum that is being held September 11-12 in San Francisco. To the best of his knowledge OBD staff has never had the opportunity to attend such a meeting regarding the two Federal Data Banks that we are required to submit information to. Mr. Braatz stated that the OBD has placed in their 2009-2011 Biennial Budget Request the opportunity to subscribe to Data Banks Proactive Disclosure Service and that he thinks this would be a great opportunity for the OBD to interact with the people that we will be working with in the coming year on this project. Mr. Braatz went on to say that although there is no cost for the Forum and that he can authorize Ms. Haynes to attend, the Board would have to give him permission to also attend.

Dr. Grant moved and Mr. Smyth seconded that the Board allow Mr. Braatz to attend the meeting to be held in San Francisco on September 11-12. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

2009-2011 Legislative Session Update

Over the past couple of months, both Mr. Braatz and Dr. Kleinstub have attended a number of meetings held by the House Interim Committee on Health Care and by the many Health Care Regulatory Boards Associations to discuss proposals that are being considered by the Legislature and the Governor to make changes to the Health Care Related Regulatory Boards and below is a list of the major ideas.

- All Board members will be confirmed by the Senate,
- All members of Boards will serve at the pleasure of the Governor, more public members on Boards with the equation set at 50% minus one; for the OBD that would mean there would be four public members, four dentists and one hygienist, causing us to remove two dentists and one hygienist that are currently on the Board. The Governor's Office is pushing for two public members and Boards would not have to remove any members if they so choose.
- Board members would have to be actively licensed – or have an active practice.
- Executive Directors are currently hired by the Board and fired by the Board; the Governor is proposing that Boards hire and fire Executive Directors via the Governor.
- Confidential Impaired/Diversion Programs should all be put into a separate state agency. Final recommendation on that plan was to not proceed with that possibility. There is agreement that there should be strict rules allowing individuals in and out of program. The Governor's Office idea is similar to the OBD's program but their concept has providers making reports to a third party within state government and then to our diversion coordinator.

- Make all of the Board terms the same length of time.
- Per diem issues - making a statutory change that would allow per diem to range from \$30 – \$300 depending on Board budgets. The committee suggested \$100 – unlimited for per diem.
Frank Mussell's legislative concept that will be going forward.
- Boards would no longer be allowed to pursue legal costs of a hearing if Licensee loses hearing.
- Remove Boards' power to order competency examinations – only way out is through Circuit Court – allowing Licensees to have a contested case hearing.

Secretary of State Audit Division Report

Mr. Braatz stated that we have received the second draft report from the Secretary of State Audits Division and that we have sent our response letter. The Audits Division will review that letter and decide if they wish to make any changes or add comments where we agree or disagree and then they will issue the official audit report. Mr. Braatz stated that as soon as the final document is made available it will be forwarded to the Board.

2009-2011 OBD Affirmative Action Plan

Mr. Braatz attached a copy of the 2009-2011 Affirmative Action Plan that all state agencies are required to develop and file by September 1, 2008. He stated that our plan and the report do not differ much from previous years.

2009-2011 OBD Agency Request Budget

Mr. Braatz stated that the 2009-2011 OBD Agency Request Budget was attached for the Board to review. He stated that we are submitting a \$2,283,882.00 Agency Request Budget with a \$1,943,925.00 Expected Revenue Budget. As you can see, this is not a "balanced" budget, but the OBD has a balance that we are asking the Legislature to allow us to spend a portion of to balance the Budget.

The major areas for the cost increase are as follows: Salaries and benefits are projected to increase \$163,113.00; the fees that the OBD is required to pay other state agencies for either services that we request or required assessments to those agencies has increased \$20,289.00; requiring the Board to change accounting services from the DHS Financial Services to DAS Shared Client Services and a bank lock box will increase our costs approximately \$31,134.00; and the two Policy Option Packages that we have requested be included in our budget. The first, to cover the cost of the National FBI Background Checks we implemented approximately two years ago and have been absorbing that cost which is \$27,400.00. The second, the new NPDB/HIPDB Disclosure Service that we want to begin participating in which will increase costs \$113,775.00. Both of these items will require fee increases as follows. It will increase Application Fees \$40.00 to cover the FBI National Background Checks and License and Renewal Fees will increase \$15.00 to cover the cost of the NPDB/HIPDB Disclosure Service. Mr. Braatz stated that we will now go through the process of having our DAS Budget Analyst review our requests to see which will be allowed to move forward and included in the Governor's Recommended Budget.

Board Strategic Planning Meeting Update

Attached is the updated summary of the results of the Board Strategic Planning Session. Only two items remain to be accomplished from the list established by the Board in October of 2007. Mr. Braatz stated that currently there are too many ongoing projects that the Board is working on and the best projection date for any future Strategic Planning Meeting would be in the Spring of 2008. Mr. Braatz was asked to get proposed dates to the Board members as soon as reasonable.

Newsletter

Mr. Braatz stated that we have passed the June 30 deadline for publishing the next newsletter and that he has only received the President's Message and really would like to have some additional articles to place in the newsletter.

Dental Assisting Consortium Regarding Radiologic Proficiency Exam

Mr. Braatz stated that the OBD received a letter from the Dental Assisting Consortium regarding problems with the Radiologic Proficiency Exam citing that it was too expensive for students, that it was not timely, and that DANB shouldn't use social security numbers as identifiers.

Mr. Braatz stated that after a bit of research the average DANB turnaround time is 26 days and with the new system being implemented, it's now 15 days; the onetime fee is \$150.00 and it's good forever. Mr. Braatz also stated that everyone uses social security numbers for identity and security. The schools want to take over the exam and grade an applicant's exam. Mr. Braatz stated that he would bring a final proposal to the Board in October.

UNFINISHED BUSINESS

CORRESPONDENCE

The Board received a letter from Melinda Montecucco, R.D.H.

Ms. Montecucco sent a letter to the Board inquiring about the regulations regarding the treatment of white spots by Dental Hygienists. Ms. Montecucco included additional information for the Board to review. The Board directed staff to respond to Ms. Montecucco that there are currently no rules prohibiting this procedure and ultimately that it is the dentist's responsibility to assure that procedures are done correctly.

The Board received a letter from Gaetano A. Amico, Jr. D.M.D.

Dr. Amico is asking the Board to review the rules allowing Dental Hygienists to perform all aspects of teeth whitening procedures. Ms. Mason moved and Dr. Grant seconded to send this to the Rules Oversight Committee for further discussion. The motion passed with Ms. Mason, Mr. Smyth, Dr. Nichols, Dr. Grant, Dr. Magnuson, Ms. Davidson, Dr. Parker and Dr. Hongo voting aye.

The Board received a letter from Larry D. Haisch, D.D.S.

Dr. Haisch provided information to the Board regarding the Consortium of Operative Dentistry Educators (CODE) and the regional contacts for those who may be interested in attending the upcoming annual meetings for the specific regions. The Board will do some checking into the program to see if anyone needs to attend.

OTHER BUSINESS

Approval of Course for Certification of Certified Dental Anesthesia Certificate

Ms. Brooks submitted an application to the Board requesting the approval of a course to qualify her for the Anesthesia Certificate. The Board stated that under the current rules this course would not qualify for approval.
