NEW BUSINESS

MINUTES

Ms. Mason moved and Dr. Magnuson seconded that the minutes of the October 5, 2012 Board meeting be approved as amended. The motion passed with Dr. Hongo, Dr. Schwindt, Mr. Harvey, Dr. Smith, Dr. Huddleston, Ms. Mason, Dr. Magnuson and Ms. Davidson voting aye.

Dr. Magnuson moved and Ms. Davidson seconded that the minutes of the November 2, 2012 Special Teleconference Board meeting be approved as presented. The motion passed with Dr. Hongo, Dr. Schwindt, Mr. Harvey, Dr. Smith, Dr. Huddleston, Ms. Mason, Dr. Magnuson and Ms. Davidson voting aye.

ASSOCIATION REPORTS

Oregon Dental Association

Dr. Timms announced that as of Wednesday, December 19, 2012 the ODA will have a new executive director, John Brethouer who is from Lawrence, Kansas. He will be job shadowing Bill Zepp who will be working with ODA on special projects until the end of June.

Oregon Dental Hygienists' Association

Ms. Ironside stated that the ODHA had no official report and then introduced Tina Clarke, ODHA's new president for 2013.

Oregon Dental Assistants Association

No one present.

COMMITTEE AND LIAISON REPORTS

WREB Liaison Report

Dr. Magnuson reported that at the November meeting it was stated that the Perio component is optional in some national exams – some pulling it out of normal cycle. WREB had decided to keep it in as part of the clinical exam. There was discussion among the Board to require a Perio component for examination and it was pointed out that under current statute we did not have authority to do that. There was some discussion regarding looking at the possibility of seeking legislative change as the board felt Perio was an important element in dentistry.

AADB Liaison Report

Ms. Mason had nothing to report. Dr. Parker stated that Dr. Mark Christianson spoke about the revision of the written exam scheduled to happen in 2013. Information is available on the ADA website. Dr. Powellman spoke about the portfolio exam debate and emphasized that the ADA supports each state board having its own requirements for examination and that portfolio exams were meant to be in addition to, not a replacement of current exams.

Dr. Parker discussed the teeth whitening case and the decision against the North Carolina Dental Board stating it couldn't regulate whitening although statute clearly says they do have the authority. Feeling that the FTC has overstepped its boundary, an appeal has been filed. The FTC is purposing the argument that the Dental Board isn't a state agency therefore they can't regulate whitening activities. There was also a panel regarding Botulinum Type A and dermal fillers. Many states allow the use without additional regulations and many states allow with additional regulations.

She also added that there was a presentation regarding prescription drug monitoring programs and their growing availability. Mr. Braatz stated that Oregon does have a prescription drug monitoring program and only 13% of licensees use it. There are some possible statutory changes coming that would allow someone, such as an office manager, to pull up records in advance so the information is available in the patient record at time of appointment. Currently only the physician can access the database and it makes it rather cumbersome.

ADEX Liaison Report

Dr. Hongo attended the ADEX dental examination committee meeting which had a 36 point agenda covered in two days. Dr. Hongo stated that she covered the meeting highlights in her printed report that had been handed out.

Dr. Parker stated she attended the quality assurance committee meeting where communication between state boards, the ADA, and educators had been encouraged. Dr. Parker added she is also the new district two dental representative.

Ms. Mason stated that she attended the dental hygiene exam committee meeting which was mostly working with the SRTA people who had just come on board.

NERB Liaison Report

Dr. Hongo stated that the next meeting would be held in January and that she will make a full report at the next board meeting.

Dental Hygiene Committee Meeting Report

Ms. Mason stated that the dental hygiene committee met November 30 at the Board offices. There were a few items that the hygiene committee wanted to bring to the Board. The first was the Jurisprudence Examination, with the recommendation to have the Board appoint a task force to review and amend the exam which seems to be a trouble spot for many applicants. The second item was the Nitrous Oxide Application, which the hygiene committee felt was too confusing as it made it sound as if someone needed to be working in a practice at the time of application.

Ms. Mason moved and Ms. Davidson seconded to create a taskforce to review and possibly revise the Jurisprudence Exam. The motion passed with Dr. Hongo, Dr. Schwindt, Mr. Harvey, Dr. Smith, Dr. Huddleston, Ms. Mason, Dr. Magnuson and Ms. Davidson voting aye.

Ms. Mason moved and Dr. Schwindt seconded to send the Nitrous Oxide Application to the Anesthesia Committee for review. The motion passed with Dr. Hongo, Dr. Schwindt, Mr. Harvey, Dr. Smith, Dr. Huddleston, Ms. Mason, Dr. Magnuson and Ms. Davidson voting aye.

Committee Meeting Dates

Mr. Braatz stated that the Anesthesia Committee would be meeting December 18th at 7 p.m.

EXECUTIVE DIRECTOR'S REPORT

Budget Status Report

Mr. Braatz attached the latest budget report for the 2011-2013 Biennium for the Board's review. He stated that this report, which is from July 1, 2011 through October 31, 2012, shows revenue of \$1,733,866.90 and expenditures of \$1,455,657.74 and that revenue continues to be on target and the expenditures to date are actually below what was budgeted.

OBD 2013-2015 Governor's Recommended Budget

Mr. Braatz attached the 2013 – 2015 Governor's Recommended Budget. The Governor made the following proposed cuts to the OBD Agency Budget Request. The OBD Agency Budget Request was \$2,667,844.00 and the Governor's Recommended Budget is \$2,614,968.00 a reduction of \$52,876.00. The following are the reductions:

- Reduction in the base budget of \$5,450.00
- Reduction in Non-Pics Personal Services \$1.00
- Reduction in Standard Inflation Supplies and Services \$13,380.00
- Reduction Statewide Administrative Savings \$4,316.00

- Reduction PERS Taxation Policy \$3,303.00
- Reduction PERS Adjustments \$26,426.00

Customer Service Survey Report

Mr. Braatz attached a chart showing the OBD State Legislatively Mandated Customer Service Survey Results from July 1, 2012 through September 30, 2012. The results of the survey show that the OBD continues to receive positive comments from the majority of those that return the surveys and he added that the booklet containing the written comments that are on the survey forms, which staff has reviewed, are available on the table for Board members to review.

OTHER BUSINESS

ADA Updates Dental Radiograph Recommendation

Dr. Parker commented that it seems like an addendum to the current FDA guidelines clarifies in a roundabout way that for recall patients a dentist should be able to justify the need for radiographs on a diagnostic basis versus having a routine set on how often radiographs are taken. It was also noted that for new patients there is no change of requiring radiographs.

RPS Rules – Request to testify

Mr. Braatz asked the board to testify on behalf of the board at the RPS rules hearing regarding the need for mobile/handheld radiology equipment for dentists and dental hygienists. He stated that this equipment is valuable in offsite areas for diagnostic care. He added that he agreed that RPS needed rules and standards but to limit the use based on if a patient can move or not is incorrect. Ms. Mason moved and Dr. Magnuson second that Mr. Braatz be allowed to testify on behalf of the Board. The motion passed with Dr. Hongo, Dr. Schwindt, Mr. Harvey, Dr. Smith, Dr. Huddleston, Ms. Mason, Dr. Magnuson and Ms. Davidson voting aye.

Denturist Board HB2145

Mr. Braatz stated that HB 2145 allows denturists to expand their practice to make whitening trays, mouth guards, and sleep apnea appliances. Recently some comments made in a denturist newsletter indicated some improper use and the OBD is now getting feedback from the dental community regarding this. Mr. Braatz stated that he has spoken with the executive director of the Board of Denture Technology and will also be sending a letter clarifying that the OBD was not opposed to the bill because it was clear they would just be making appliances and nothing more.
