Subject: MP3 Update – 8GB Players Sold Out

We recently let you know that we are looking at new products to replace the existing MP3 players when they have sold out.

As of March 21, the 8GB players have sold out. There is a limited supply of the 4GB players available at the holiday sale price of \$89.99.

Music Warden kiosks will stay in place for music, messaging, and photo downloads. Accessories (armbands, screen savers, keyboards, etc.) for the existing MP3 players (4GB and 8GB) will continue to be available.
