Oregon State Correctional Institution receives bomb threat

On July 24, 2014, at approximately 10:15 a.m., the Oregon State Correctional Institution (OSCI) received a bomb threat. The Oregon State Police has been notified.

The Oregon Department of Corrections is taking steps to ensure the safety of the staff and adults in custody while the police are investigating.

At this time, afternoon visiting for OSCI has been cancelled.

More information will be provided as it becomes available.
