Bomb threat at Oregon State Correctional Institution cleared

At approximately 12:25 p.m. PST, Oregon State Correctional Institution returned to modified operation following a bomb threat on Thursday, July 24, 2014, that was received at approximately 10:15 a.m.

No injuries were reported and all adults in custody are accounted for. The institution anticipates returning to normal operation beginning with the morning meal on July 25.

Oregon State Police (OSP) Criminal Investigation Division detectives are continuing the investigation. No other details are being released at this time as their investigation continues. Any updates will be provided by OSP in future news release(s).
