

**13 April 2010**

**Mike Bonetto**

# Goal: Triple Aim

A new vision for a healthy Oregon.

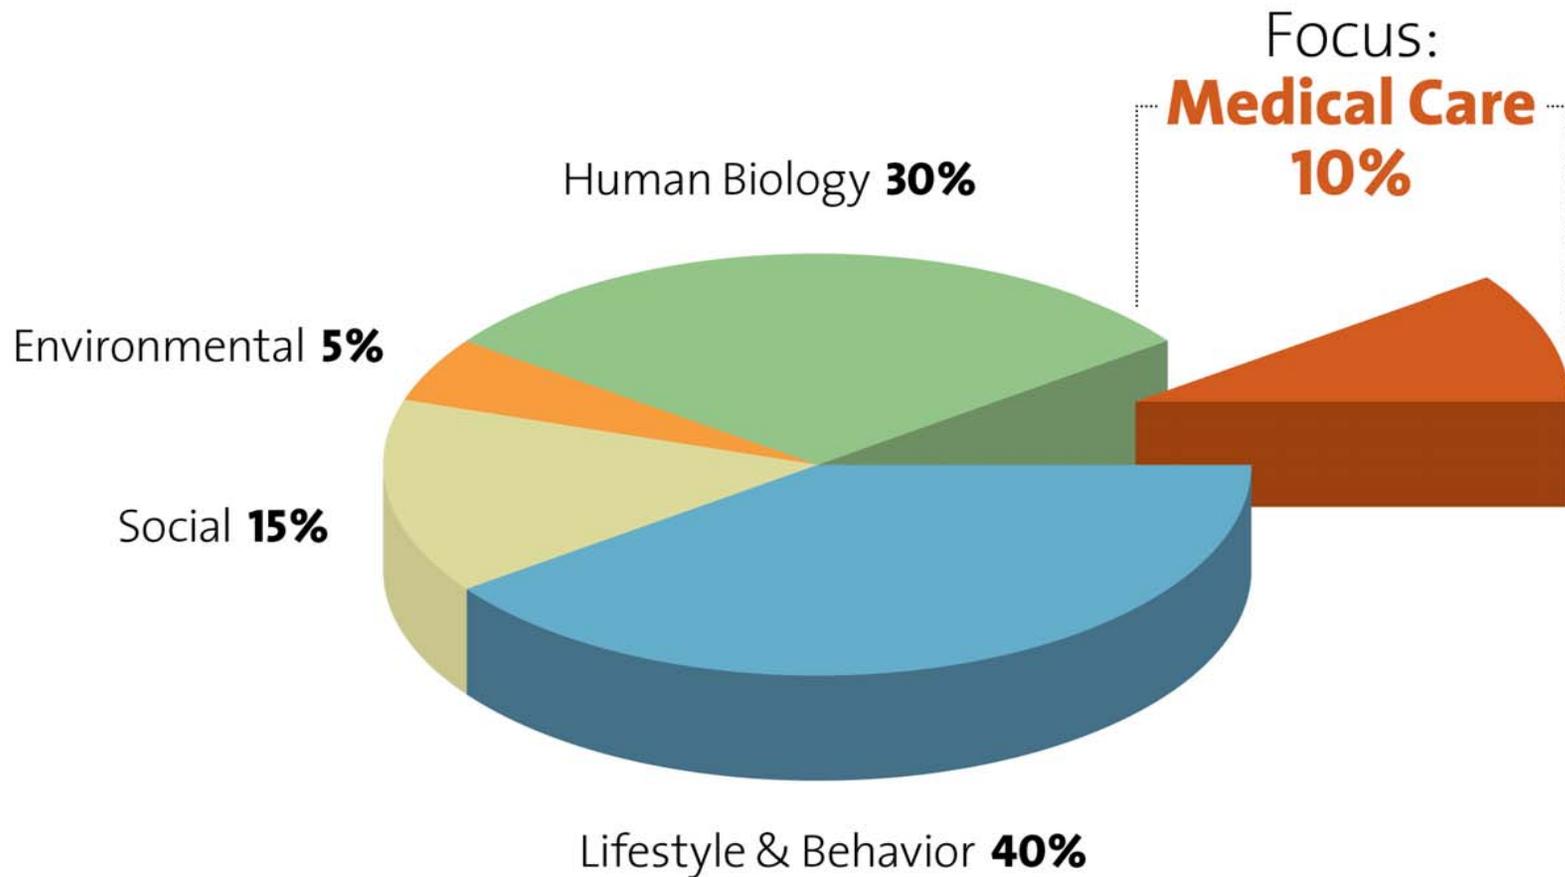

## Oregon's Health Community

- 1 Enhance the patient experience**  
through clinical outcomes, patient safety and satisfaction
- 2 Improve the health of Oregonians**
- 3 Reduce per capita cost**

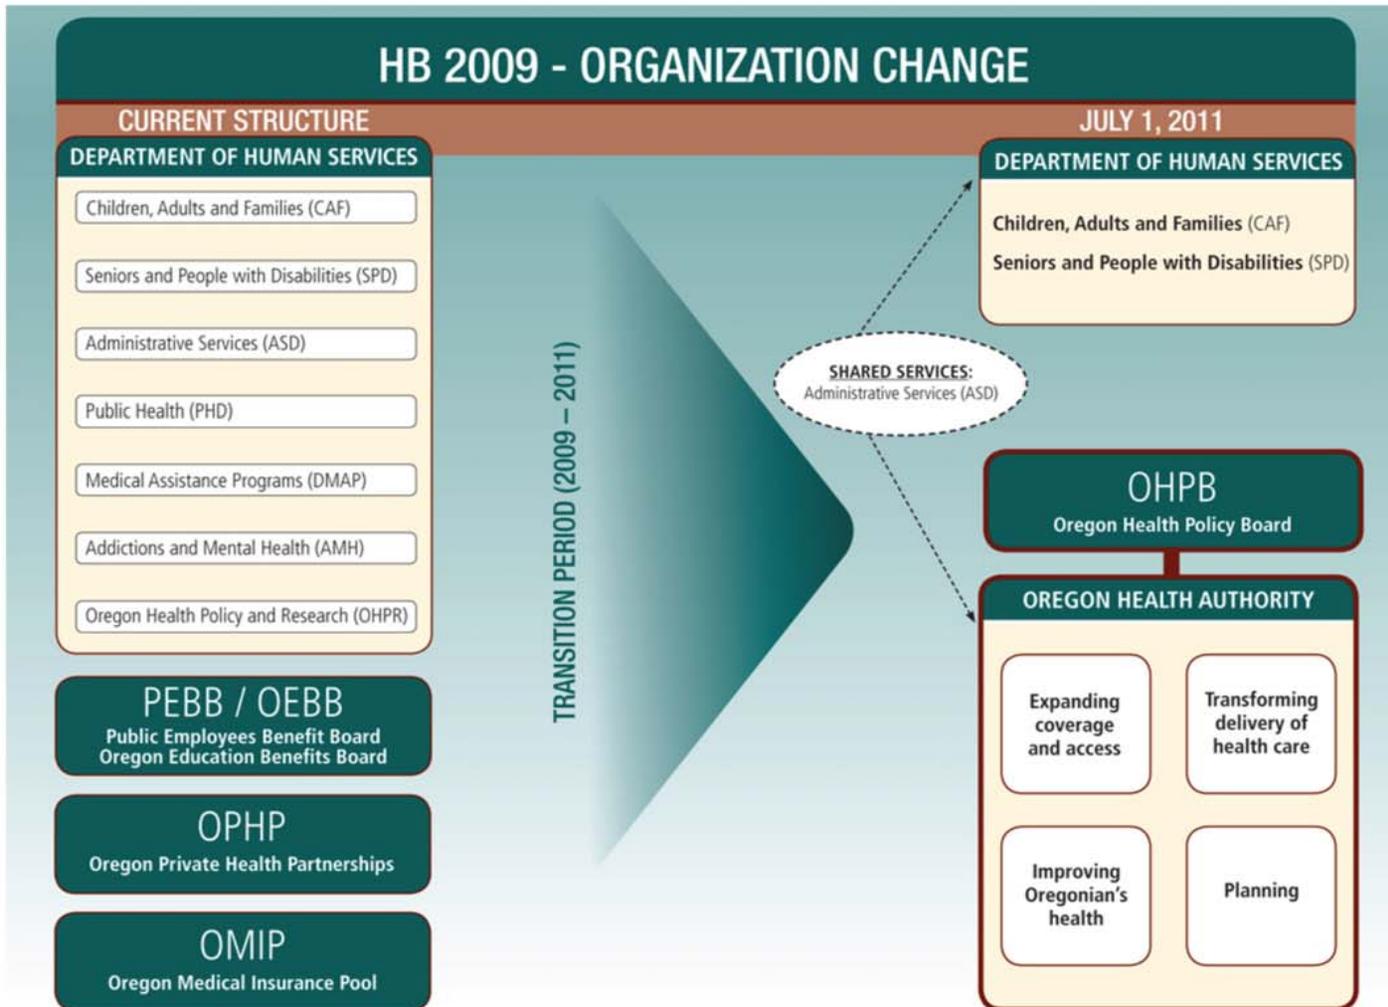

# Challenge:

Too much focus placed on medical care, while disregarding the larger sphere of contributing health factors.

# Solution:

At the state level...

# **Solution:**

At the state level, changing the organization of care...

## **Oregon Health Authority**

- Stimulate innovation;
  - New structures for supporting fundamental change;
  - Linking informal networks to provide comprehensive, coordinated care;
  - Accountability and joint responsibility for keeping people healthy;
  - Comprehensive performance measurement focusing on quality and outcomes.
- 
- Two horizontal bars at the bottom of the slide: a top bar in a muted green color and a bottom bar in a dark blue color.

# Solution:

At the regional level bridge existing gap between medical care and health and human services constituents.

# Solution:

Community health benefit and health reform

## PAYMENT MODELS

Fee for service	Episode-based reimbursement	Partial/full risk capitation	Global budgeting
-----------------	-----------------------------	------------------------------	------------------

## INCENTIVES

Conduct Procedures	Evidence-based medicine Clinical PFP	Expanded care management Risk-adjusted PFP	Reduce obstacles to behavior change Address root causes
--------------------	---	---	--

## METRICS

Net revenue improvement	Improved clinical outcomes Reduced readmits	Reduced/preventable hospitalizations/ED Reduced disparities	Aggregate in health status & QOL Reduced HC costs
-------------------------	--	--	--

## GOVERNANCE

Informal relationships & referrals	Joint partnerships between organizations e.g. mental health & behavioral health		New community-based accountability linking all
------------------------------------	--	--	--

# Next steps:

Getting from here to there...

- Primary care and behavioral health integration
- Look beyond to include more components across the continuum
- Transitional steps, organizations, models
- Development of new regional structures/authorities that connect with Oregon Health Authority
