

What Can the HCA Do?

- **Support the Success of CCO in Medicaid**
 - If Medicaid doesn't work, all else is theory
 - All Staring Huge Oregon Budget Hole
- **Define the outcomes you want: (WCC and Triple Aim)**
 - Child and maternal outcomes
 - Chronic Care, et. Al.
- **Don't inhibit experimentation, new processes and innovation**
 - By over regulation
 - Expecting too early quantification of results
- **Support process, new manpower needs and creativity proactively !**

Efficiency and Redeployment
