Statewide CCO Learning Collaborative

Objectives:
- Facilitate peer-to-peer learning and networking among CCO Medical Directors, Quality Improvement Coordinators, and other CCO staff;
- Identify and share information on evidence-based best practices and emerging best practices;
- Help advance innovative strategies in all areas of health care transformation.

Current Topic Focus: 17 CCO Incentive Measures

Meeting information:
Quality and Health Outcomes Committee (QHOC) (second Monday of the month)
Human Services Building Conference Rooms 137 A-D
500 Summer Street NE, Salem, OR 97301
Statewide CCO Learning Collaborative Session is 11:00 a.m. – noon each month
URL: http://transformationcenter.org/#learning-collaboratives
Toll-free conference line: 888-278-0296
Participant code: 310477

Background:
As part of the Medicaid Waiver Agreement, the Oregon Health Authority (OHA) has committed to the Centers for Medicare and Medicaid Services (CMS) that it will convene a statewide CCO learning collaborative in support of health systems transformation. Participation in this learning collaborative is also a requirement in each CCO contract. The OHA Transformation Center is accountable for establishing and coordinating this learning collaborative structure.

Based on feedback from recent listening sessions with all of the CCOs, the Transformation Center is convening and supporting a statewide CCO learning collaborative within the regular Quality and Health Outcomes Committee (QHOC) meeting structure. CCO Medical Directors chose to focus the first collaborative on the 17 CCO Incentive Measures.

Please note that the Transformation Center will gladly convene and/or facilitate additional learning collaboratives at the request of any interested CCOs, but the QHOC statewide CCO learning collaborative will serve the purpose of meeting the Waiver and CCO contract requirements.

Contact: Emilee Coulter-Thompson, Learning Collaboratives Manager, OHA Transformation Center, Emilee.I.Coulter-Thompson@state.or.us or (971) 673-1244
