Subject: Unique Medicaid Provider numbers for Facilities

In order to effectively track and analyze the data in the Measures and Outcomes Tracking System (MOTS), all existing MOTS facilities must have a unique Medicaid Provider number.

Please apply for a unique Medicaid Provider number for each existing MOTS facility that does not already have a number. After you receive the Medicaid Provider numbers, please update the Medicaid Provider number on the existing MOTS facilities on the facility profile page. The application forms 3113 and 3974 are available at <http://www.oregon.gov/oha/amh/mots/Pages/index.aspx>
