Medicaid Policy and Planning Section, DMAP

Subject: Fee-for-service professional claim reprocessing scheduled for March 28, 2015

The weekend of March 28, 2015, the Division of Medical Assistance Programs (DMAP) will reprocess close to 41,000 claims paid from **April 1, 2013**, through **June 30, 2013**, to apply the following rate updates effective January 1, 2013:

- Federal primary care rates
- Vaccines for Children administration rate updates

In addition, DMAP will reprocess 27 claims paid between January 1, 2013, and March 31, 2013, to apply the above rate updates. (Most of the claims paid during the first quarter 2013 were reprocessed in late December 2014.) Only claims with 2013 service dates will be reprocessed during this activity.

Because of the large number of claims being reprocessed, delivery of the paper remittance advice (RA) may be delayed.

What you will see on the paper RA

The Claim Adjustments section will list the affected claims by original Internal Claim Number (ICN). Each ICN will have an adjustment ICN (beginning with “52”) to indicate reprocessing by DMAP.

The “Detail EOBs” will list Explanation of Benefits (EOB) code 4300: *View ‘Fee-For-Service Professional Claim Reprocessing Scheduled for March 28, 2015’ at:*

What you will see on the electronic remittance advice or Provider Web Portal

Both the ERA and Provider Web Portal will list the reason for the reprocessing using *Adjustment Reason Code 129: Prior processing information appears incorrect.*
