This month's topic:

Understanding Pharmacy Business Processes and Claims Billing for OHP Clients

Rich Holsapple, the Pharmacy Services Manager for Hewlett Packard Enterprise Services who oversees OHA's Pharmacy Call Center, medication prior authorization unit, and drug rebate program, will lead a presentation to help prescribing providers and community partners get a glimpse behind the pharmacy counter to see how a pharmacy bills, what its limitations and struggles are, and how providers can work with pharmacies to meet the needs of their clients.

After registering, you will receive a confirmation email containing information about joining the webinar.
