	<p>Introductions</p>	

<p>November 19, 2015 Meeting Notes</p>	<ul style="list-style-type: none"> ▪ November meeting notes were reviewed and approved after requested changes to the listing of attendees. 	<p>Materials:</p> <ul style="list-style-type: none"> ▪ Agenda ▪ Meeting Notes from November meeting
<p>HSD Updates: Sarah Wetherson</p>	<ul style="list-style-type: none"> ▪ Beginning to look at Tele-dental rules. Upcoming notices will be out soon; ▪ SDF- Several DCOs thought there would be rules around this. A temporary rule has been put in place. Questions on how to implement. Did not have time to do a RAC process. Sometime in February would be the earliest that an RAC process could be initiated. Everything must be completed by July 1, 2016 on this rule; 	
<p>Other:</p>	<ul style="list-style-type: none"> ▪ HERC: Smoking cessation and elective surgery- This has been addressed at the request of medical directors. There have been concerns raised by the mental health/addictions folks. This has not gone to a full HERC meeting yet. Written testimony can be submitted; ▪ Dental brochure- the brochure is ready for printing. Can the brochure be localized? ▪ Discussion on the dental dictionary at the MEOC (Member Engagement & Outreach Committee) meeting. The value was seen but it is unclear what the next steps will be. 	<p>Action Item:</p> <ul style="list-style-type: none"> ▪ Find and send information on the Dental website. ▪ Corinne Thayer will send the 2016 version of the dental dictionary to Chris Norman.

<p>Meetings: How often?</p>	<ul style="list-style-type: none"> ▪ DCO meetings will be held on a quarterly basis; ▪ Want to see workgroups meeting in the in-between times; ▪ Discussed DCO reporting at the QHOC meeting. This used to be a standing agenda item; ▪ Discussed name change and reading the charter. A subcommittee will address this and bring back to the committee. Dayna Steringer will lead this subcommittee. If interested in serving, contact Dayna at dsteringer@live.com ; ▪ Had discussion on true integration; ▪ at the meeting start time will remain at 1 p.m., and OHA will explore whether the meetings can be extended to 3 p.m.. 	
<p>Dental Metrics- Sarah Bartlemann</p>	<ul style="list-style-type: none"> ▪ 2015 CCO metrics report has been published and the report included dental sealant, DHS children, and dental care; <p>Deborah Loy asked additional questions and sparked conversation; Discussion points were:</p> <ul style="list-style-type: none"> ▪ 201b report from the dental health workgroup; ▪ The metrics are being worked on and will re-post within the next month or two. Some of this may be discussed in the smaller workgroups that Deborah suggested continuing to meet between DCO meetings. 	

<p>2016 Measures- Eli Schwartz</p>	<ul style="list-style-type: none"> ▪ Discussed the dental sealant metric. Pure dental sealant counting is the 6-9 and 10-14 age ranges; <p>Discussed the 2012-13 measurement year. Measured with the IPSDT method which used a risk assessment assumption;</p> <ul style="list-style-type: none"> ▪ Discussed 602-603's; ▪ There are two projects with Willamette Dental and Advantage Dental using a risk assessment; ▪ Looking at a 3% vs. 15% level. The goal is to reach 20%; ▪ 660 discussed; ▪ Measures for 2015 and 2016 are not based on risk assessment. Needs to be studied to move forward with a 2017 metric. 	
<p>SB 660- Amy Umphlett</p>	<ul style="list-style-type: none"> ▪ Public comment period closed January 5th with no testifyers; ▪ Writing responses to the written comments and writing proposed rules to file by January 29th; ▪ Suggest specifying if school sealant should occur during school hours; ▪ Allowing CCO's to determine what program will be used in the schools; ▪ Will be adding to the rule that CCO's must contact OHA; ▪ Decision making should be at the local level and not state level; ▪ Transitioned 2/3 of schools to local control. If local does not have capacity to serve the schools, than "we" will; ▪ Focus is on elementary and middle schools; 	

	<ul style="list-style-type: none"> ▪ Intent- child level data is not linked to school but not tracked throughout their life like immunizations. Discussed how to be able to assess long term results with sealants. 	
Opioids Update- Lisa Bui	<ul style="list-style-type: none"> ▪ Lisa shared a document with Statewide PIP facts; ▪ Discussed developing interventions; ▪ Opioid task force- looking at prescribing guidelines; ▪ Material has been presented at the Hospital Scoring Prevention meeting; ▪ Chronic/acute- in physical health it's usually chronic. What is different in dental is the amount prescribed; ▪ Dental presence is needed at workgroups/meetings when discussing opioids; ▪ There will be a learning collaborative in February and April at the QHOC (Quality and Health Outcomes Committee) meeting addressing opioids. 	
Next meeting	<p>April 21, 2016 1:00 pm-3:00 pm HSB-352</p>
