Purpose

We have received several requests for information about Modified Adjusted Gross Income (MAGI) Medicaid operations. Your feedback is very important to us. To address questions and provide a dedicated channel for information, we have created a monthly meeting that is available to all.

This meeting is a venue for Oregon Health Plan and Oregon Health Authority leadership to provide updates, address challenges and receive questions from attendees. It is our goal to foster an environment of transparency, accuracy and timeliness.

What you can expect from this meeting

- System and operational updates
- Responses to your questions posted monthly
- Attendance by Health Systems Division leadership

What not to expect from this meeting

- Immediate issue resolution
