

## Hospice rates

Effective October 1, 2009. Follow CMS guidelines. When billing for hospice services:

- Bill the usual charge or the rate based upon the Cost-Based Statistical Area (CBSA) in which the care is furnished, whichever is lower.
- In the Value Code field on institutional claims, enter “61” as the value code, followed by the CBSA code as a dollar amount (e.g., enter CBSA code 13460 as 13460.00).
