

Is Your Home Safe?

Everyone deserves a safe place to live. If you've asked your landlord to fix a health or safety hazard in your home but it's still a problem, we can help. Call the Oregon Health and Safety Hotline at 1-800-453-5511.

Leave a detailed message on the hotline about the problem and someone will get back to you, either that day (if you call by 4 pm) or within two business days, depending upon the severity of the problem.

If there is an emergency, such as a life-threatening illness or injury, a fire or a criminal activity, call 9-1-1.

Call the Hotline for all **unresolved non-emergency** but serious health and/or safety problems.
