

Low-Income Weatherization Program *3 rd - Party Certification of Completion

Project Name: _____

Project Address/site: _____

1. Please attach a copy of the approved OHCS weatherization calculator sheets itemizing measures, costs, and energy savings. If the completed weatherization measures are not identical, please provide a set of calculator sheets and a narrative explanation.
2. Please attach the original "energy sticker" from every different type of appliance for which funds are claimed.
3. Please attach the AIA form (or approved equal) showing the weatherization work completed and billed.

***This certification can be completed by an independent third party, such as an architect, energy consultant, engineer, HVAC Specialist (not completing the work), or community action agency energy weatherization representative.**

Architect or Energy Analyst:

I hereby certify that to the best of my knowledge and belief and the weatherization activities performed on this project are consistent with the weatherization activities proposed in the funding application to OHCS and approved by the Oregon Housing Council. I hereby certify that such activities have been reviewed and have been found to be complete and in accordance with the requirements of the Low-Income Weatherization Program, which funded the above listed weatherization activities for the above listed project.
