

Oregon Housing & Community Services Summary Statistics

last updated: 2/7/2014

These OHCS Summary Statistics document is intended to collect relevant and verified information on OHCS programs and corresponding needs in the state. Whenever possible data is collected and presented on a quarterly basis for Fiscal Years. Information on sources and methods can be found in the References section

It is organized around the continuum of services that OHCS provides

Continuum of Services, programs and accomplishments

If you have any feedback, or ideas on what more to include please let us know! This is a document that will be updated regularly and we're always interested in finding new ways to represent the work and impact that OHCS programs have in the state. Email recommendations to OHCS Research & Analysis at: RA@hcs.state.or.us

[Research & Analysis Section: AR@hcs.state.or.us](#)

All information contained in this report is obtained from sources believed to be accurate and reliable.

Due to the possibility of human or mechanical error as well as other factors, this information is provided without warranty of any kind and therefore, the Department makes no representation, express or implied, as to the accuracy, completeness, or timeliness of this information, and is not responsible for any loss or damages incurred by parties using this information. Under no circumstances shall the State of Oregon, Housing and Community Services Department have any liability to any person or entity for (1) any loss or damage in whole or part caused by, resulting from or relating to any error (neglect or otherwise) or other circumstances involved in procuring, collecting, compiling, interpreting, analyzing, editing, transcribing, communicating or delivering any such information, or (2) any direct, indirect, special consequential or incidental damages whatsoever, even if the State of Oregon, Housing and Community Services Department is advised in advance of the possibility of such damages, resulting from the use of, or inability to use, any such information.

Race/Ethnicity Info

2010 Race / Ethnicity

Population breakdown by Race / Ethnicity for Oregon & the US for 2010. Please note that the race data is provided for all groups who are Not Hispanic, and then the total number who are Hispanic. Data comes from the annual American Community Survey. <http://www.census.gov/acs/www/>

2010 Housing Type by Race / Ethnicity

Homeowners vs Renters household breakdown by Race / Ethnicity for Oregon & the US for 2010. Please note that the race data is provided for all groups who are Not Hispanic, and then the total number who are Hispanic. Race/Ethnicity is based on the specified Head of Household. Data comes from the annual American Community Survey.

<http://www.census.gov/acs/www/>

2010 Poverty by Race / Ethnicity

Population breakdown of Poverty status by Race / Ethnicity for Oregon & the US for 2010. Please note that the total population indicated here is specifically that of the "population for whom poverty status is determined" and is not necessarily the total population of the area. (Populations in group quarters, like prisons, group homes, universities, hospitals, do not have their poverty status determined) Data comes from the annual American Community Survey. <http://www.census.gov/acs/www/>

Household Info

Oregon Household Statistics - Annual ACS

Annual American Community Surveys for Oregon, the number and percent of all households by tenure (own vs rent) and ACS calculated vacancy rate. <http://www.census.gov/acs/www/>

Renter Household Rent Burden - Annual ACS

Annual American Community Surveys for Oregon, the number and percent of all households that spend either 30 or 50 percent of their household income on gross housing expenses. <http://www.census.gov/acs/www/> table B25070

Owner Household Housing Burden - Annual ACS

Annual American Community Surveys for Oregon, the number and percent of all households that spend either 30 or 50 percent of their household income on gross housing expenses. <http://www.census.gov/acs/www/> table B25091

Food & Anti-Poverty

Commodity Supplemental Food Program (CSFP)

Food assistance expenditures are tracked through a USDA purchasing database, and the data presented here represents a report based on that data. The cost of the food is tracked through that program, and the number of food boxes are estimated based on that data and the number of people served. Program contact is Cecilia Lyons.

Food Distribution on Indian Reservations (FDIR)

Food assistance expenditures are tracked through a USDA purchasing database, and the data presented here represents a report based on that data. The cost of the food is tracked through that program, and the number of food boxes are estimated based on that data and the number of people served. Program contact is Cecilia Lyons.

The Emergency Food Assistance Program ARRA

Food assistance expenditures are tracked through a USDA purchasing database, and the data presented here represents a report based on that data. The cost of the food is tracked through that program. Program contact is Cecilia Lyons.

Emergency Food Assistance Program (TEFAP)

TEFAP dollar amounts and pounds provided by Oregon Food Bank, tracked by their internal systems and the USDA purchasing database. Program contact is Cecilia Lyons.

Oregon Food Bank Network Food Boxes and Pounds

Data on Oregon Food Bank total food boxes and pounds provided by the OFB, includes food funded through TEFAP, the General Fund Food Program, and other funding sources. Program contact is Cecilia Lyons.

SNAP/Food Stamps - DHS flash figures

Monthly figures published by the Oregon Department of Human Services: <http://www.oregon.gov/DHS/assistance/data/main.shtml>

Poverty Rate - SAIPE

Poverty rate and population numbers comes from the Small Area Income and Poverty Estimates (SAIPE) program of the Census <http://www.census.gov/did/www/saipe/index.html> This provides annual information for all states and counties.

Unemployment Stats, qualityinfo.org

Unemployment Rates and population figures come from the Oregon Employment Department via www.qualityinfo.org. The figures presented are seasonally adjusted.

Preventing & Ending Homelessness

HUD Point In Time Homeless Counts

Annual homeless counts conducted in January of each year by the Continuum of Cares through community agencies. Data reported by HUD <https://www.onecpd.info/CoC/CoC-Program-Reports-Program-Data-and-Program-Rents/>

HUD Housing Inventory Report: Total Beds / Permanent Supportive & Emergency Shelter tables

Continuum of Care Housing Inventory Reports: HUD's Homelessness Resource Exchange, Homelessness Report for Oregon: <https://www.onecpd.info/CoC/CoC-Program-Reports-Program-Data-and-Program-Rents/> This is information that HUD aggregates based on the individual Continuum of Care housing inventory reports that are submitted annually to HUD.

Rental Assistance

HOME TBA Rent Assist Outcomes

HOME TBA data is gathered from the OHCS HOME TBA database pre-2012 and the HUD IDIS Program beginning in FY 2012. This is updated by staff through regular reports from local partner Community Action Agencies. The two data resources are not comparable given changes in methods for counting populations. Vicki Massey is the program contact.

Section 8

Section 8 rental assistance contracts include information on client characteristics, which compose this table. Rhonda Crawford is the program contact.

Renter Household Rent Burden - Annual ACS

Annual American Community Surveys for Oregon, the number and percent of all households that spend either 30 or 50 percent of their household income on gross housing expenses. [http://www.census.gov/acs/www/table B25070](http://www.census.gov/acs/www/table/B25070)

Energy Assistance & Weatherization

Weatherization Assistance Programs

Data collected and tracked by program staff. Steve Divan is the program contact.

Energy Assistance

Data collected through OPUS program snapshot module. Includes both LIHEAP and OEAP program data. Brent Holmes is the data contact.

Affordable Rental Housing

Affordable Rental Housing

Data collected from the internal DISH database of Affordable MultiFamily Housing Projects and compiled by Research and Analysis. Program staff contacts are Susan Bailey.
