

# INDIO SPIRITS

Indio Spirits began making their hand crafted spirits in 2004 by founding partner John Ufford.

They company started producing vodka, and in 2006 John partnered with Bob Turner - quickly expanding the Indio products to include gin, rum and whiskey.

Indio products are of superb quality and provide the best possible value to customers at affordable prices.

*Customers are invited to the Indio Spirits Distillery & Tasting Room to taste their spirits and tour the facility Friday through Sunday. Enjoy the rich history of one of Portland's original craft distillers.*
