

OREGON LIQUOR CONTROL COMMISSION

Supplemental Form: Marijuana Processor Endorsement

What is this form?

An operating plan is required for all recreational marijuana applications. Applicants seeking a processor license must also include the proposed endorsements as part of the operating plan. This **Supplemental Form** is required for all applicants seeking a processor license or any licensee seeking an additional endorsement type for an existing processor license.

Applicants and licensees completing this form should first review requirements for marijuana processors under [OAR 845-025-3200 through OAR 845-025-3280](#).

What information is required?

Applicants must disclose the following:

- Which endorsement(s) are sought
- Descriptions of the types of products to be processed
- Descriptions of equipment including all chemical compounds to be used
