Construction to Close Camp Sherman Rd Bridge

MADRAS – The Oregon Department of Transportation and Jefferson County are working in partnership to improve the bridge over the Metolius River on Camp Sherman Rd. As part of this scour repair project, the bridge will be temporarily closed.

The closure is expected to begin October 15th and extend through December 30th, 2014. The closure is necessary to strengthen the foundations beneath the structure.

For further information, updates, or concerns, please contact Jefferson County Public Works Department.

For the duration of the closure, traffic will be detoured to the east on Forest Service Road NF 14.
