RULE SUMMARY

ORS 390.180(1) authorizes the Director of the Oregon Parks and Recreation Department (OPRD) to adopt administrative rules that establish a plan for each state park. Accordingly, OPRD is adopting a plan for Brian Booth State Park. Plans for state parks are adopted as state rules under OAR 736-018-0045. The purpose of amending OAR 736-018-0045 is to adopt the plan for Brian Booth State Park as a state rule.

The plan for the park responds to the most current information on park resource conditions and public recreation needs as they pertain to this park setting. The plan was formulated through OPRD's mandated planning process involving meetings with the general public, an advisory committee, recreation user groups, environmental advocacy groups, affiliated Tribes, affected state, federal and local government agencies, park neighbors and the local community.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing any negative economic impact of the rule on business.
