The 2014 reports contain extracts from both OUCR and ONIBRS. Data from OUCR and ONIBRS are not a one to one comparison because of the different nature in their methodologies. Agencies submitting data utilizing the incident based format, ONIBRS, are providing a more comprehensive depiction than the data captured by the OUCR categories.

Not all agencies reported crime data for all months in the 2014 calendar year. See pages VI-X in the Annual Report Introduction to review the chart showing agency reporting format and months crime data was reported.

### Note on definitions of Offenses and Arrests:

- The term “Offenses,” as used in this report for crime reporting purposes, is defined as “known criminal acts occurring within the reporting agency’s jurisdiction.” The reported offense counts are generated from receipt of a complaint or call for service. All reports of thefts and attempted thefts are included, regardless of the value of property involved.

Any law enforcement agency discovering, receiving a report, or investigating any offense occurring in its jurisdiction that would constitute a crime shall report these facts to the Oregon Uniform Crime Reporting (OUCR) monthly.

- The term “Arrests,” as used in this report for crime reporting purposes, may be defined as one or more of the following:
  1. The physical arrest of a person, adult or juvenile, held in jail, detention facility, or detained pending bail, hearing trial, etc.

\* Indicates Index Crimes

## Offenses and Arrests Summary by Agency

2. The issuance of a citation for a criminal offense. (A citation is issued for the person, adult or juvenile, to appear at a later date for felony, misdemeanor, or criminal violation charges, in lieu of being taken immediately into custody).
3. The issuance of a traffic citation for appropriate traffic arrests listed in the OUCR manual.
4. Persons, adult or juvenile, summoned or notified to appear in a court of law to answer criminal charges.
5. Juveniles processed by police for criminal offenses and then released to parents, relatives, or guardians with no further action planned.

Any law enforcement agency arresting, citing or issuing a summons to any person (adult or juvenile) for any crime which occurred in its jurisdiction shall report these facts to OUCR monthly.

The data in the following section is in Alphabetical County order with agencies by ORI order, which may not necessarily be alphabetical.
