- Conduct six (6) Phase I plan reviews.

- Provide three (3) membership training sessions to take place at a regular scheduled meeting.
- Participate in two (2) outreach projects to promote the Mid-Valley LEPC.
- Work with the State Fire Marshal's Office to contact four non-participating EHS facilities and invite them to attend the Mid-Valley LEPC meetings.
- With the support and participation of emergency responders, create a job aid to assist in determining when and how an evacuation or shelter-in-place action will occur.
