Kendra (left) poses with one of the dog beds she and other youth at Oak Creek YCF recently made for the Safe Haven Humane Society in Albany. Nike donated the materials and the girls used sewing machines to make the beds and pillows. The youth delivered about 20 of the items in early March with plans to make more. The photo was taken in the office of Alice True, executive support specialist at Oak Creek. The poodle, named Bumps, belongs to Alice.

Breanna pets one of the dogs at Safe Haven Humane Society, with donated dog beds nearby.
