**Long-Term Care Facilities Controlled Substance
Destruction Logs**

OAR 855-080-0105(4) states that a copy of the destruction log of controlled substances at long-term care facilities is to be sent to the Drug Enforcement Administration (DEA). This is no longer required.

The Board of Pharmacy has removed the reporting rule language which required the LTC facilities to submit a copy of their destruction logs to the DEA

Please do not send a copy to the DEA office. A copy is required to be kept on site.

If you have any questions regarding this change, please contact the Board of Pharmacy Compliance Department at 971-673-0001.
