RULE SUMMARY

The Board amends, adopts, repeals and renumbers a variety of rules in Division 041. The Div. 041 Pharmacy Depot Rules previously amended in December 2011 are amended to further clarify where a patient may designate delivery of a prescription. The Div. 041 Residential Drug Outlet rules are renumbered, amended and repealed to update rules that have not been updated since 1990. The Div. 041 Technician Checking Validation Program (TCVP) rules will allow hospitals to implement TCVP's to allow the redirection of a pharmacist from a distributive role to a patient oriented role.
