

<b>Agency</b>	Oregon Business Development Department
<b>Report Period End Date</b>	June 30, 2011
<b>Name of Taxpayer (Corporation)</b>	<b>BendBroadband Vault, LLC</b>
<b>Address of Taxpayer</b>	63090 Sherman Road Bend OR 97701
<b>County Code</b>	Deschutes County - 017
<b>Congressional District</b>	OR2
<b>Total Amount of Credit</b>	State Income Tax exemption for total estimated payroll of \$ 150,000 per year for up to 10 years firm is certified
<b>Specific Outcomes of Program</b>	The Oregon Investment Advantage Program helps business start or locate in most Oregon counties. The <b>Bend Broadband “Sockeye Center”</b> is the improvement of an existing warehouse facility to a LEED accredited data center. Providing; <ul style="list-style-type: none"> <li>• 5 new full-time positions, with benefits,</li> <li>• Facility to be located in Bend, Oregon,</li> <li>• Proposed start-up in December 2010, and</li> <li>• Does not compete with existing local businesses</li> </ul>
<b>Statistics and Methodology Employed</b>	After OBDD received the application and fee for preliminary certification from <b>BendBroadband Vault</b> on April 21, 2010, Department staff reviewed application for completeness, verified that firm meets qualifications of the program, and sent application information to local governing bodies May 21, 2010. Governing bodies may object within 60 days of notice. If Governing Bodies object to the application and provide resolution adopted by the governing body stating their objection, the application is denied by the Department. If there is no objection received in 60 days, the application is approved by the Department and applicant and Governing bodies are notified by letter.
<b>Agency’s Certification Decision (if applicable)</b>	There were no objections to <b>BendBroadband Vault’s</b> application and was Preliminary Certified effective June 30, 2011.
<b>Additional Information Submitted by Taxpayer or Other Relevant Data</b>	The approved firm must send an application for Annual Certification and \$100 fee to the Department for each tax year that the firm claims the exemption. The Department reviews the application, considers potential fact-finding, and determines whether it satisfies the applicable requirements for annual certification. The Department may deny or approve annual certification in writing and copies the Department of Revenue.
